**RE: CLINICAL AND LABORATORY REPORT**

This is to certify that I have carried out clinical and laboratory examination on Jon Curby & Erika Davis Dog currently residing at Entebbe. It is traveling to New York, USA on the 6<sup>th</sup> February 2008. All the necessary vaccinations including rabies have been done. The dog has been on regular/routine treatment for control of intestinal, lung and heartworms as well as skin parasites. The dog is in good condition and therefore you may authorize its travel. This dog is further certified to travel at temperature as low as 25°C

The description of the dog is elaborated below.

Name	Microchip no.	Breed	Sex	Date Of Birth	Color
	968000004589097	Basenji	Male	23 <sup>rd</sup> /11/2007	Red

Place: Kampala Date: 05/ Feb/2008
