

ELEMENTS

“Is the Whole equal to the sum of the parts?”

Join us on **Wednesday, September 1st, 2010** for something new and exciting. First time ever!! The 2010 Host Group is pleased to offer an **Educational Exhibition** of a new dimension –

ELEMENTS – a study of the individual components of the breed standard that make up the Complete Basenji.

At last -- an opportunity to see each of those elements defined in the ring by breeders from across the country.

Elements will offer classes divided by the Standard:

- Size, Proportion, and Substance
- Head
- Neck, Topline, and Body
- Forequarters
- Hindquarters
- Coat and Color
- Gait

- Judges will be drawn from a pool of well-known breeders who have many years of experience in basenjjs.
- Each judge will be given one element of the basenji to evaluate.
- The dogs in each class will be judged according to merits of only that portion of the breed standard.
- Individual dogs may be entered in multiple classes and accumulate points based on class placements. The more classes entered, the more opportunities a dog has to earn additional points.
- After all the Elements have been judged, the four basenjjs with the highest combined scores will compete for **Best in Elements**
