The Basenji

1 pound liver
¼ teaspoon anise seed
½ teaspoon garlic powder

Preheat oven to broil

In a large pot place liver, anise seed, garlic powder and enough water to cover meat. Boil for 5 minutes. Remove from heat and rinse under cold water to remove little pieces of "crud." Pat dry.

Place liver on a cookie sheet in the center of the oven and cook 3-4 minutes per side. Remove from oven and cut into desired sizes.

Good luck!
