DEADLINE IS THE 20th OF THE MONTH PRECEDING THE MONTH OF ISSUE - OR DEC. 20th FOR THE JAN. ISSUE!

JULY, 1983

EDITOR'S NOTE:

As you may have already noticed, graphics are not my forte. Hopefully in the coming months I will prove that timeliness is.....

I would like to thank Chris for all her hard work over the past years, and the members of BCOA for giving me the chance to try this new concept. All contributions will be received gratefully, and printed if time and space permit. Please feel free to write and let me know what you think (on anything)!

THE FORUM

Ruth Shannon and I would like very much to revive her column of this title. It will require responses from you, the membership. Please write and suggest topics, and let us know your feelings on the topics we print. This coming month I would like to know how people feel about whisker trimming - for all dogs, for some dogs, for no dogs?? The same about tail trimming?? Address all responses to the Editor, please. Thanks in advance for your response.

9 June 1983

Mr. Ed Dixon
100 Moberly Avenue
Toronto, Canada M4C 4B1

Dear Mr. Dixon:

In rebuttal to the Canadian Kennel Club's (CKC) proposal to remove Basenjis from the Sighthound Group which would eliminate Basenjis from Lure Coursing competition in Canada, I would like to offer some observations.

Basenjis have been competing in The American Sighthound Field Association (ASFA) sanctioned Lure Field Trials since August 1979 when they were first recognized by ASFA as eligible Sighthounds. Since that time Basenjis have earned in excess of 30 Field Champion (F. Ch.) titles and 5 Lure Courser of Merit (LCM) titles (equivalent to CKC's Field Champion Excellent title). In 1982 there were 767 Basenji entries in 176 ASFA Lure Field Trials in the United States.

This level of Basenji Lure Coursing activity in the U. S. is due primarily to two major factors. First, and most importantly, the hounds run well in competition. Overall, with some rare exceptions, Basenjis are not the aggressive, snarling hounds some would lead one to believe. As a matter of fact, I have personally seen a number of Borzoi, Greyhounds, Salukis and Whippets which had to be run muzzled because of aggressive behavior on the field. Second, many Basenji owners have become very active in clubs presenting ASFA sanctioned Lure Field Trials. Five clubs, two in Illinois, ^{two} ~~and three~~ in California, ^{and one in Washington} are made up almost entirely of Basenji fanciers.

The suggestion that the Basenji is a "trotting" breed rather than a "galloping" breed can be easily refuted by photographic evidence. A number of people here in the U. S. have some very good photographs which demonstrate the typical sighthound "double suspension gallop" of most Basenjis (see the enclosed photo).

Any action by the CKC Board of Directors at this time to remove the Basenji from the Sighthound Group is very premature. Although I am personally unaware of the extent of Basenji Lure Coursing activity in Canada, I expect that Basenji entries in CKC Lure Field Trials are minimal. I would like to encourage Basenji fanciers in the U. S. to enter their experienced coursing hounds in CKC Lure Field Trials.

I hope that the information in this letter is useful to you in dealing with the Board of Directors of CKC.

Sincerely,

W. E. Shainline, Jr.

TO ALL B.C.O.A. MEMBERS

GREETINGS from your new Quarterly BULLETIN Editor! This new concept is an attempt to bring you timely club news, yet retain informative, educational and advertising content. This newsletter will be your timely club communication. The less frequent Quarterly BULLETIN will (hopefully) hold up the informative, educational and advertising end. This will specifically require the cooperation of all affiliated clubs as well as the general membership. I have already requested a column, preferably of club news, from EACH AFFILIATED CLUB. Also, any original articles any of the general membership may see fit to contribute. Please, SHARE your knowledge and experience with fellow Basenjites!

AS THESE COLUMNS and original articles, together with ads, a "Letters" feature and reports from B.C.O.A. Committee Chairpeople will compose the entire content of the Quarterly, you can see that "No Contributions" will quickly equal "NO QUARTERLY"! So, basically, without your help, we could be left with only the Monthly Newsletter.

IT'S ALL UP TO YOU! I can pledge my strict adherence to deadlines and on-time mailings, but with nothing to print, it wouldn't do much good! The first issue will be July/August/September and will feature Top Producers - the mainstays of our breed, our Stud Dogs and Brood Bitches. DEADLINE FOR ALL COPY is JULY 25, 1983!!! The issue will be MAILED BEFORE August 31. This means it will go to the post office labeled, sorted, bundled and bagged and sent out Second Class at that time. What your post office does with it after that is NOT my responsibility! Second Class mail can take as little as 3 days or as long as 3 WEEKS (which the post office will deny, but experience has proven to be true). S-O-O -- Onward! Ad rates for this first Quarterly BULLETIN will be:

Cover - \$75.00 w/150 word cover story
Back Cover - \$65.00 w/50 word story
Inside Back Cover - \$55.00

Full Page - \$45.00
Half Page - \$30.00
Quarter Page - \$20.00
Extra Photos - \$10.00

NEW - Business Card Breeders Directory - \$10.00 per issue for a 2" x 3½" space.

SEND ALL ADVERTISING COPY TO: Mrs. Margaret Sommer
Quarterly BULLETIN Advertising Manager
15091 Esther Drive, San Jose, CA 95124
408/377-1956

ADS RECEIVED AFTER THE DEADLINE WILL BE RETURNED *** NO EXCEPTIONS!!

FUTURE QUARTERLIES will feature:

Specialties Spotlight / Holiday Greetings - Oct./Nov./Dec. - Deadline: 10/25/83
New Champions / Owner & Junior Handlers - Jan./Feb./Mar. - Deadline: 1/25/84
Top Winners / Puppies, Puppies, Puppies - Apr./May/Jun. - Deadline: 4/25/84

PLEASE SEND club columns, comments, complaints and other constructive contributions to:

Mrs. Sandra Bridges, EDITOR
B.C.O.A. Quarterly BULLETIN
668 Pronto Drive
San Jose, CA 95123 * 408/281-1075

SEND ADDRESS CHANGES to either the Editor or Advertising Manager, but DO send them in time to do some good - Second Class mail IS NOT FORWARDED!

We just get the label back with the new address (where available), pay postage due for this privilege, and they chuck the magazine!

Hope to hear from you soon,
Sandy
