DTP VOLUME 21

JANUARY 1992

FROM THE EDITOR'S TERMINAL...

Welcome to a new year & to a new era in the club's history. 1992 celebrates our Golden Anniversary, 50 years of Club existence. Times like these you tend to have lofty ambitions & try to think of profound things to write. So much has happened in 50 years. But as I write I sit with my own Basenji curled & asleep in my lap. Nothing unusual & maybe that is the simple profound reason to celebrate. Clubs are people who come together by choice to share a common interest. To think that all during the past 50 years, through such world events as wars & peace, good times & bad, somewhere in the U. S. there was a basenji curled up in another lap too. And that through the years, across the country, that sweet, simple experience was shared by other Club members. Happy Birthday, B.C.O.A. and here's to the next 50 years! CTH

50th Anniversary National Specialty 1992

Yes, planning is already well on the way. Some announcements concerning the Non-Regular Classes: In addition to the familiar Puppy Sweepstakes, a Veterans Sweepstakes will also be held. Both Sweepstakes will be judged by Ms. Damara Bolte. Also, in the Puppy Sweeps, a 12-18 month old class will also be offered. The enthusiasm shown at the '91 specialty has prompted the planning of fun classes again to be offered.

Would like to alert Artist & Craftsmen: the Trophy Committees is seeking designs & estimates for the Specialty. Please contact: Sally Wuornos Rt. 1 Box 163, North Branch MN 55056 OR Pat Bright W 1358 South Shore Dr Palmyra WI 53156-9798 concerning trophies.

Also, Karen Butler, Auction Committee chairperson is asking for all to start thinking about items to donate for the Auction. Keep your eyes open for interesting items at the shows or shopping about. Contact her at P.O. Box 458 Milford MI 48381

For Your Information . . .

The Westminster Kennel Club has decided to limit the entry of its annual February All Breed Show to Champions only beginning this year. The New York show continues to draw a maximum entry despite the many inconveniences most exhibitors who have experienced Westminster report. Medallions will be presented to winning champions at the 116th show & it should prove interesting to see if the Champions Only limitation will contribute to further the prestige of this Annual event.

The new AKC video, BEST FRIENDS, is now available. This 15 minute tape covers the benefits of dogs in society, the need for responsible dog ownership & workable solutions to problems of too many pets & not enough homes. It is an excellent educational tool for those that have the desire to teach this most valuable information to all. Show this to your dog club & then use in public education programs at schools, at dog shows or wherever it could be viewed. Best of all, this is available FREE & may be copied. Send your requests in writing to Stephanie Robinson, AKC Communications Division, 51 Madison Ave., NY NY 10010. In addition, there is also a six minute version which will be shown on TWA & Continental airline flights with more airline spots planned for the future.

The Canadian Kennel Club new ruling, effective Jan 1 1992, states that all foreign born & owned dogs entering Canada for the sole purpose of entering CKC events will no longer require a CKC registration number. An Event Registration Number (ERN) only will now be required. The ERN will not register a dog for breeding purposes but will enable the dog to be awarded titles by the CKC. Write to the CKC Show & Trials Division, 100-89 Skyway Ave, Etobicoke, ONT M6R 6R4 CANADA for more details.

Know anyone who belongs to the Columbia House Video Club? Learned that the video of "Goodby My Lady" can be obtained through them at a most modest cost - much less than the more expensive fee directly from Warner Brothers. The title needs to be requested but know they DO carry our favorite Basenji movie!
