**PETITION FOR LIFETIME MEMBERSHIP**

**Petition to nominate Dr. Steve Gonto as a Lifetime (honorary) member of the B.C.O.A.**

The following petition was processed in accordance with Section 1: Eligibility, Lifetime of the B.C.O.A. Bylaws, which states:

The Club may appoint lifetime members in recognition of outstanding service to the breed. Lifetime members may be nominated...by means of a petition addressed to the Secretary signed by five members in good standing... Nominees shall be notified of their nomination by the Club Secretary and shall be given the option of accepting or declining the nomination. The names of those accepting nomination shall be submitted to the Club membership for vote, and lifetime membership shall be granted if the nominee receives affirmative votes of 2/3 of those voting. Lifetime members shall receive a subscription to the Club *Bulletin* and *Bulletin Board* and shall hold individual voting privileges, but shall neither hold office nor pay dues.

The petition was signed by seventeen B.C.O.A. members in good standing and forwarded to the secretary for processing. The Secretary sent a letter to Dr. Gonto asking if he would accept the nomination, and his letter of acceptance follows the petition.

As is the B.C.O.A. custom, the vote for final acceptance of a lifetime membership nomination will be held at the next annual meeting, Friday, August 2, 1996 at the 1996 National Specialty in Kensosha, Wisconsin.

**PETITION:**

I would like to nominate Dr. Steve Gonto for Lifetime membership in the B.C.O.A. for his extraordinary contribution to the Basenji breed in the saving of literally hundreds of otherwise doomed Basenjies with Fanconi syndrome. He developed the Veterinary Protocol for Fanconi Syndrome on his own time and at his own expense, and this protocol is now being used on both Fanconi-afflicted dogs and Fanconi-afflicted humans worldwide.

While recognizing the need for further research into the causes and prevention of Fanconi Syndrome, we can now keep Fanconi-afflicted Basenjies alive for a normal life-span in quite good health and spirits instead of having them die a truly horrible death at a young age.

This is a small token that the Basenji community at large can give to show Dr. Gonto how much we appreciate his gracious and tireless efforts on behalf of the Basenji breed.

**Signatures on petition:** Mark A. Baime—NJ; Katie Campbell & Scott Moberly—WA (*What a wonderful idea for a superb and well-deserved nomination!!! Thanks for including us.*); Jo York Bradshaw—NM (*What a wonderful idea. Of course I will sign this... Again, this was a wonderful thing to do.*) Stanley A. Carter, DVM, past V.P., B.C.O.A.; Frances J. Foster—OR; George W. Gavaletz, B.C.O.A. Events Coordinator—CA; Teresa B. Gavaletz, V.P., B.C.O.A.—CA; Debbie Hauri—NH; Shirley Jones—OK (*Good idea! Gonto is more deserving than anyone else I can think of!*) Susan Kamen-Marsicano—NY; Darrell LeMar—MA (*I was glad to be able to be involved in this nomination and believe that Dr. Gonto's work is most remarkable. While I hope I will never need to call upon Dr. Gonto's Fanconi protocol, I will certainly keep the narrative vitae on hand and will pass it along to present and future Basenji owners who might have a need to contact Dr. Gonto.*); Virginia Mason—MA; Dennis R. and Barbara Narchood—NJ; Betsy Polglase—MA (*I owe 5 wonderful years of my Fanconi-afflicted Sheba's life to Dr. Gonto.*); Carol Webb—CA.

**DR. GONTO'S REPLY to the B.C.O.A. secretary's letter, asking if he would accept a nomination:**

Dr. Steve Gonto, M.M.Sc., Ph.D.—Med.Sci, 6 Cedar Point Drive, Savannah, Georgia 31405, February 26, 1996

**Dearest Members of the Basenji Club of America,**

It is with the deepest gratitude that I accept your nomination to lifetime membership in the Basenji Club of America. (*Continued*)

I was both surprised and honored that you would consider me for such wonderful recognition. As I have told many of you personally, it is I that feels enriched by having met so many wonderful people through my activity within the Basenji community.

While I am so happy to have been able to help enrich and preserve the lives of so many of your precious (and precocious) little four-footed friends, it is all of *you* who have performed "outstanding service to the breed" by being so open, so aware, and so willing to acknowledge a problem existed and working so hard with heart and soul to eradicate it. Unlike some breeds where the bulk of breeders and owners dust their health problems "under the rug," *you* have brought these to the forefront in order to eventually wipe them out. When one of you faces a health problem with your dog, the efforts you put forth towards doing all the right things to help them are virtually heroic. I am very, very proud to be counted among the caliber and quality of person that seems to be the norm involved with this wonderfully unique and special breed of dog, and I will always be proud to say I am associated with the wonderful and unique PEOPLE who own this breed (or should I say the wonderful people who this breed own?!?). I will always stand up with head held high and be counted as a "Basenji person"!

If I have contributed in some small way to the overall health and welfare of this ancient and most noble breed of dog, then this itself is an honor. If I have, by chance virtue of my training and experience in medicine, been able to help you keep your little beloved friend and family member alive longer, then this warms my heart as well. Also, I have made some real friends and have been greatly enriched by getting to know so many of you and sharing you lives. Thus, I feel that I have gained much more than I have ever given, and so to be nominated for this membership is truly a heartwarming event for me.

Regardless of your decision on my nomination, I want to thank each and every one of you for your consideration and express my sincerest gratitude for even being recognized in this way.

Most sincerely yours,

*Steve Gontz*

## CRATE TRAINING YOUR BASENJI

(a.k.a. Basenji 12-step Plan to "Rule the Roost")

—Suzanne La Croix

- 1) Sharply knock on the crate to startle puppy into silence.  
RESPONSE: Basenji screams louder.
- 2) Rattle crate — sudden movement will startle puppy into silence.  
RESPONSE: Basenji screams louder.
- 3) Feed puppy in the crate to build a positive association.  
RESPONSE: Basenji enjoys snack then screams louder.
- 4) Reassure puppy through the grate of the crate.  
RESPONSE: Basenji sniffs fingers for food then screams louder.
- 5) Lie down next to crate until Basenji falls asleep, then sneak off.  
RESPONSE: Just as you congratulate yourself, Basenji Screams louder.
- 6) Remove puppy from crate, praise for silence, return to crate.  
RESPONSE: Basenji screams louder.
- 7) Remove puppy from crate, correct it for noise, return to crate.  
RESPONSE: Basenji screams louder.
- 8) Ignore screaming/place crate in far room with door closed.  
RESPONSE: Count the *hours* ticking by as Basenji screams louder.
- 9) Abandon the premises.  
RESPONSE: Basenji goes hoarse, but as soon as you return, it begins screaming louder.
- 10) Seek professional help — use squirt guns, shower dousings...  
RESPONSE: Indignant Basenji screams even louder!
- 11) Pass the buck — place puppy in crate with an adult dog.  
RESPONSE: Basenji screams louder; second dog joins in.
- 12) Permit Basenji to assume its true place in the household — under your feet and in your bed.  
RESPONSE: Quiet Basenji, peaceful household, happy neighbors.

(The Basenji portrayed is a fictional character, any resemblance to a real Basenji is purely coincidental. S.L.C.)

## TRUE SHOW STORY

—From Winona Gilbert of Portland, ME

A man wrote a letter to a small hotel in a midwest town he planned to visit on his vacation. He wrote:

"I would very much like to bring my dog with me. He is well-groomed and very well-behaved. Would you be willing to permit me to keep him in my room with me at night?"

An immediate reply came from the hotel owner who said, "I've been operating this hotel for many years. In all that time, I have never had a dog steal towels, bed clothes or silverware or pictures off the walls. I've never had to evict a dog in the middle of the night for being drunk and disorderly. And I've never had a dog run out on a hotel bill.

"Yes, indeed, your dog is welcome at my hotel, and if your dog will vouch for you, you are welcome to stay here, too."

"Help!"

**WHO CAN LIST** — Basenjis listed with, or turned over to, rescue contacts or organizations by owners having no other place to turn; by shelters; by animal control officers or by humane societies.
