MEMBER NEWS

Please keep us posted about members’ marriages, illnesses, deaths and other “card-worthy” events. Call all information to Sunshine Chair Linda Penne, at (517) 896-5849 (or torr to her at 572 Seymour, Westfield, IN 46074).

We are sorry to hear:
- Karen Felsenfield recently lost her mother. Very best wishes to Karen and her family.
- Lillian Iocofano died of cancer. Our most supportive and kind thoughts to her family.
- Palmina Lattanzio died. Our warmest thought go out to Palmina’s family.
- Peggy Murphy departed this earth from her bed at home in mid-December. Don (her husband) was awakened by the Basenji at the time of Peggy’s passing. She will be missed greatly by all who knew her. Although they (Peggy & Don) never spent a great deal of time in the show ring she was a major supporter and advocate of the Basenji breed. Our deepest sympathy to Don Murphy and all of her family and friends.

AUTHOR NEEDS BREED INFORMATION AND PICTURES
As a canid behaviorist I became interested in primitive and aboriginal dogs because of their unique behaviors. I am now in process of gathering information for a book about these breeds, including the Basenji. There is a detailed questionnaire on breed characteristics and behavior I am hoping fanciers will complete so that the book will be able to offer the consolidated knowledge of scores of aboriginal dog owners. I will also need many pictures. If you would like to volunteer to share your experience with Basenjis, or have pictures you would like to submit for consideration, please contact me as soon as possible. The book will be professionally published and the proceeds from its sale will be applied to scientific research on primitive dogs. — Janice Koler-Matznick, 5265 Old Stage Rd., Central Point, OR 97502, (541) 664-4023, e-mail: <jkiller@iname.com>

PRIMITIVE AND ABORIGINAL DOG SOCIETY BEING FORMED
Throughout the world primitive and aboriginal dogs are threatened with extinction due to habitat destruction and genetic swapping from other breeds. Aboriginal dogs represent an important resource for scientific study in several areas including anthropology, biology and ecology. They may also be a repository of “healthy” genes that in the future can be used to correct inherited medical problems in purebred domestic dogs. The purposes of the Primitive and Aboriginal Dog Society (PADS) are: (1) to facilitate communication between scientists and lay persons within the dog fancy and (2) to locate, (3) preserve and (4) study primitive and aboriginal/feral canine populations. The Basenji is one of the breeds on the PADS aboriginal breed list and we hope many fanciers will choose to join PADS in order to expand their interests and share their knowledge. For further information contact: Janice Koler-Matznick, 5265 Old State Road, Central Point, OR 97502. (541) 664-4023, e-mail: <jkiller@iname.com>

1998 ASFA INTERNATIONAL LURE COURSING TRIAL
The ASFA International Invitational Lure Coursing Trial will be held in June of 1998 at the Masterson Station in Lexington, Kentucky. If anyone would like more information or to donate toward the coursing trophies, please contact Sharron Schmidtgall, 1940 Shipman Road, Oxford, MI 48371.

Adoption

LET’S CONTINUE TO SOLVE THE OVERPOPULATION PROBLEM BEFORE THE GOVERNMENT DOES IT FOR US IN A WAY THAT NONE OF US WILL LIKE.

(Many thanks to artist Shirley Jones for our fetching “hobo” Basenji.)

ADOPTION LISTING POLICY
WHO CAN LIST IN THE BULLETIN BOARD — Basenjis listed with, or turned over to, adoption contacts or adoption organizations by owners having no other place to turn; by shelters; by animal control officers or by humane societies.

LISTING INFORMATION — Send name/s of Basenjis, vital statistics, good/bad traits, whether crate-trained, medical information, type of home desired and (optional) snapshot to: The Bulletin Board, 341 N. Billerica Road, Tewksbury, MA 01876 (call/FAX Betsy Polglase: (308) 458-8108; E-mail: <Betsy.Polglase@worldnet.att.net>). The dog will be listed until it is adopted, or for two issues of the Bulletin Board Newsletter — whichever comes first.

DISCLAIMER — Contacts in adoption listings are volunteers who are BCOA members in good standing; however, under no circumstances does the Basenji Club of America guarantee the Basenji listed or the services provided by these volunteers adoption contacts.

LISTING CHANGE
Please remove Susan Campeau of North Carolina from the rescue listings as she is going to be going to school in Missouri and will have very limited room.

BASENJIS NEEDING HOMES
Keep sending notices of rescue dogs—it works! Photographs are a bonus and will be returned. ** means highest priority. (Tell us when the dogs are placed, too!)

ILLINOIS
MAX (male, tricolor, age 2) Beautiful tricolor boy. The person posted this rescued him a year ago and “loved him from the getgo.” He went to his daughter’s home. He loves to run, play, beg, steal and sleep. He is a great paper shredder, too. He is housebroken, remarkably socialized, sits for the lead, tolerates the crate but doesn’t like it. Needs a home with older children and a big, well-fenced yard because he loves to escape. He is microchipped, and his shots are up to date. Being given up because he is jealous of a new baby and nips at her and is enraged and destructive when the baby gets attention. E-mail Allan Obluck <aro.basenji@juno.com>; telephone: (708) 590-4022 evenings. (1/98-1)

OHIO
Lightning—(v/male, r/w, age 3) Was picked up running along the road. Seems to have a good temperament. E-mail: Charlie Denslou in Ohio, Basenji Education And Rescue <charlied@SISCOM.NET> (11/97-2)
