<td>Male</td>
<td>Red &amp; White with paws, brisket &amp; tail tip</td>
<td>Basenji</td>
<td>19/11/2014</td>
</tr>
</tbody>
</table>

The importation is subject to the following conditions to be fulfilled by the importer:

The Dam (Puppies' mother) should be free from and must have been vaccinated against Rabies disease and be accompanied by Rabies Vaccination certificates signed by state veterinary administration Republic of South Sudan

1. The puppies should be free from the following diseases among others:
   - Canine distemper
   - Canine hepatitis
   - Canine parainfluenza
   - Canine leptospirosis
   - Canine parvovirus
   - Canine coronavirus
   - Canine lyme borreliosis
• Rotavirus
• Adenovirus type 2
• Bordetella

2. The puppies should be free from external and internal parasites.
3. The puppies should be examined clinically 48 hours prior to departure and issued an international veterinary health certificate by the state veterinarian.
4. A copy of this permit should accompany the consignment.
5. The puppies should be conveyed in a manner that is humane, should not be exposed directly or indirectly to other animal up to the final point of destination in Uganda.
6. The importer should notify the Commissioner Livestock Health and Entomology of the expected time of arrival at the destination Port of Entry through e-mail, fax, and telephone. On arrival, the veterinary inspector on duty should be notified since the dog should not be released without his/her examination and written permission in form of a bio-safety release certificate (see telephone contacts below).
7. The Port of final destination is **Entebbe International Airport**
8. This import permit is valid for 3 months from the date hereof and for only one consignment.
