Avongara Luka
Evaluations

AKC Approved Judge – Judith Hupperts  12-5-08

Good points:

Not so Good points:
Slightly snipey & cheeky. Slightly long backed. Lazy curl in tail. Should be tighter.

Rating 4 Very Good

AKC Approved Basenji Breeder Judge – Marianne Klinkowski  12-3-08

This compact tricolor bitch sports a short glossy black coat and an attractive head with small ears, short, refined muzzle and fine wrinkle. She is off-square with clean, fine bone and brisket to elbow. She has nice fill in front and dainty little feet. Her tail is carried up over her back in a single curl. Her appearance, mannerisms and character are very consistent with the template which defines the breed in my mind and I have no doubt that this lovely little bitch is a basenji

Rating 4 Very Good

Long-time Breeder – Stan Carter, DVM  12-24-08

Avongara Luka is a very nice, petite, female with a friendly, playful disposition. She stands slightly under 16” with fine, clean bone. Markings are correct, coat is short and tricoloration very nice. Quality headpiece, small hooded ears with dark almond eyes. Shoulders moderately laid back, level topline, although back is longer than ideal. Moderate, balanced angulation front and rear. Tail is set high, but curls loosely. Luka is small, but covers ground swiftly with a flowing stride. True on the down and back and good length of reach from the side. Luka offers outstanding qualities in conformation, health and temperament. She will be a great addition to the basenji gene pool.

Rating 4 Very Good
Form for Native Stock Evaluator

Evaluator: AKC Approved Basenji Judge

Dogs name: Ayongara Luca

Evaluator's comments:

Excellent temperament. Very outgoing and friendly.
Good side movement. Fluid and unrestricted.
Good down and back movement. Straight and true.
Very sound.
Good lay back of shoulder.
Good bend of stifles.
Good topline.
Good head and small ears. Excellent expression.
Not so good coat.

Lightly cupped chest.

Dazy curl in tail. Should be tighter.
